

**Minutes of the 1 September 2009  
Special Meeting of the Yancey County Board of Commissioners  
Held at 6:00 o'clock p.m. in the Commissioner's Board Room  
Yancey County Courthouse, Burnsville, North Carolina**

Present at the 1 September 2009 meeting of the Yancey County Board of County Commissioners were Walter Savage, Chairman, Member Johnny Riddle, County Planner Jamie McMahan, Clerk to the Board Jason Robinson, North Carolina Department of Transportation Board Member Wanda Proffitt, DOT Division Maintenance Engineer Ed Greene, DOT District Engineer Jeff Moore, County Maintenance Engineer Chris Deyton, County Maintenance Supervisor Mark Harris, County Maintenance Supervisor James Robinson, and members of the general public.

Chairman Savage called the meeting to order and recognized Mrs. Wanda Proffitt who was recently appointed to the North Carolina Department of Transportation Board. Chairman Savage also welcomed all of the representatives from the North Carolina Department of Transportation. Mr. Ed Green and Mr. Jeff Moore spoke to the Board about the 2009-10 Secondary Road Program (See Attachment B). The Secondary Road Program will not get as much funding this year as in years past due to the budget problems that the state has been having this year. The program is meant to pave roads that have not been previously paved. Discussion followed about specific roads that were on the program and the process that DOT goes through to get roads on the list and how they are ranked. Mrs. Wanda Proffitt also informed the Board that the money for the Secondary Roads Program will run out in a few years.

Having no further business Chairman Savage made a motion to adjourn and it was seconded by Commissioner Riddle. The vote to adjourn was unanimous.

Approved and authenticated on this the 3<sup>rd</sup> day of November 2009.
